

# Garden Workshops for September/October 2011

All profits raised will go to the MVCLP Garden Kitchen project—for more information—give us a call 65535121

Date/Day/ Time	Cost	Workshop/description
Sat AND Sun 10th & 11th September	\$30 + BYO Lunch	<b>INTRODUCTION TO EARTH BUILDING</b> —Learn how to use natural materials such as earth and straw to make mud bricks and cob mixes using your bare hands and feet. Learn the basics of building with earth through the construction of an earthen wall on a stone foundation for a pizza oven.
Sat AND Sun 17th & 18th September	\$50 + BYO Lunch	<b>BUILD A COB PIZZA OVEN</b> —Learn how building with earth can be functional and sculptural as well, built only from natural materials and your bare hands and feet. These beautiful natural pizza ovens will make the best pizza and bread you have ever tasted!
Sunday 25th September	\$25	<b>PROPAGATION</b> - We will cover the basics of propagation including: Various propagation mediums and how to make your own; how and when to plant common vegetables; special preparation for certain seeds; Moon planting; and cuttings
Sun 9th October Combined with a social 'make your own pizza in the new pizza oven' - bring your own topping!	\$20	<b>COMPOST AND COMPOST TEA MAKING</b> —learn about: Carbon/Nitrogen Ratios; what materials to use; what is the soil food web?; how to make sure your compost is alive; how to manage your compost; what is compost tea?; different types of compost tea; how to make and apply compost teas
Sat AND Sun 22nd/23rd October	FREE!	<b>PERMABLITZ</b> —hands on blitz of one area of the community garden. Learn more about permaculture techniques.
PLUS—Keep an eye out for:		<b>BAMBOO WORKSHOP</b> —build your own trellis/shade cover <b>ORGANIC GROWERS DAY</b> —donate and plant a tree <b>SCHOOL HOLIDAYS—KIDS WORKSHOPS</b> —gardening; art & permaculture; pizza making! Register your interest.
